Police update	HR	<p>CiPD have a small pot of funding to increase the Mini Police bases within Nottinghamshire (mainly the city at the moment) to start better engagement with children between 9-11. They are expanding the cadets which is currently 16-18 – to 12-18 – this will mean children are with them for far longer and therefore have a better exposure to policing and associated benefits.</p> <p>CiPD want to expand what they do around missing people – especially the vulnerable (elderly and young) This is a huge challenge in rural areas. <b>Happy for a discussion on any potential new and innovative ideas from NottsWatch. ACTION ALL – any ideas to HR and cc SAS.</b></p> <p><b>ACTION SSS to provide BS with Social Action Hub contact for W. Midlands.</b></p>
